

## HAUPA Factory certificate

Remscheid, 11.07.12

product: Solder for electronic work  
product range: standard program  
art.-no.: 160000 - 160018  
composition: S-Sn60Pb40  
melting range: 183-238 °C  
working temperature: 300 - 400 °C  
density: 8,3 g/cm<sup>3</sup>  
components: Pb 40 %  
Sn 60 %  
Kolophonium <1%  
Norm: according DIN DIN EN 29453
