

BRENDA

table lamp, LED, 3000K, white/silver, WL USB, 5.4W

Article number 146111

Product family Brenda

Feed-in capability No

Lamp included No

Length 17.6 cm

Width 17.6 cm

Height 40 cm

Net weight 1.961 kg

Gross weight 2.813 kg

Voltage 220-240V ~50/60Hz sec. 12V DC

Protection class II

Average lifespan 50000 Hours

Colour temperature 3000 Kelvin

Colour rendering index 80

Luminous flux 510 lm

Energy efficiency class A++

Way of mounting Portable

Colour white/silver

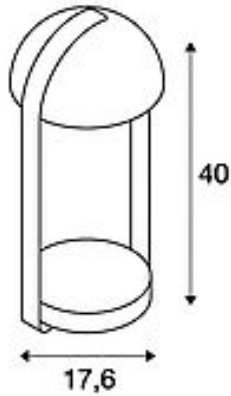

Form others

Light distribution type 1 direct - indirect

Light distribution type 2 symmetric

Material Aluminium/glass

Type of plug Euro plug

The BRENDA LED table lamp is fitted with a powerful Premium LED, and because of its unusual shape, the table lamp provides an indirect, homogeneous lighting effect. A special feature is wireless charging by means of an integrated charging station for Smartphones with Qi 1.2 capability. All you have to do is put the Smartphone down onto the special surface and inductive charging of the battery starts using wireless charging. The BRENDA lamp also has a USB connection for supplying the battery of the mobile device via a USB cable. The integrated LED driver means that it can be directly connected to the 230V mains supply using a Euro plug.
