

# Mi 20W Wireless Car Charger

Auto-clamping; up to 20W wireless charging

ID: 24792; SKU: GDS4127GL

- **Auto-clamping.** 2.5D glass panel with cool lighting effect, built with infrared sensor inside. When a phone is approaching, the holder will automatically open arms and hold it tightly. Touch the side button and the phone will be released. Easy for one-hand operation.
- **27W adapter in box.** No need to buy an adapter separately. Enjoy super fast charging freely, either wired or wirelessly.
- **Up to 20W wireless charging.** When charging Mi 9 wirelessly, it outputs up to 20W power. In 30 minutes Mi 9 can be charged from 0% power to 45%; and in 90 minutes to 100%.
- **Convenient use.** A combination of phone holder and wireless charger – charging while navigating. Working perfectly with phone case on. The hollow base also makes it applicable for phones that do not support wireless charging.
- **Comprehensive compatibility.** Supports multiple wireless charge protocols (Qi, EPP, etc). Compatible with smartphones including but not limited to Mi MIX 3 (10W), Samsung S10/S9+/S8+/S7 Edge+ (10W), Mi MIX 2S (7.5W), iPhone XR/XS/8 Plus/8 (7.5W), and Huawei Mate 20 Pro/Mate 20 RS (5W).
- **Flexible installation.** Fix it onto an air vent with its clamp, or secure it onto the windshield or dashboard with its supplied adhesive mount.

# Mi 20W Wireless Car Charger

## Specifications:

- Model: WCJ02ZM
- Input port: USB-C
- Input: 5V/3A 9V/2A 12V/2A 15V/1.8A 20V/1.35A
- Output: 20W MAX (Wireless charging at 20W is only compatible with Mi 9.)
- Inductive sensing distance:  $\leq 4\text{mm}$
- Operating temperature: 0°C to 40°C
- Material: PC + Glass
- Dimensions: 117.2 x 73.4 x 91.7mm
- Package includes: Mi 20W Wireless Car Charger x 1, USB-A to USB-C cable x 1, User Manual x 1, Adapter x 1, Adhesive mount x 1
