

3-circuit Square RCS750

RCS750 3C L1000 BK (XTS4100-2)

3-circuit track

The RCS750 3-circuit square track system is made up of a solid aluminium track available in lengths of 1, 2, 3 and 4 m with four electrical conductors. Any given configuration can be created easily: horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can be moved easily to change the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material. A range of adaptors, power supply connections and mounting accessories is also available.

Product data

General information		Length	
Protection class IEC	Safety class I	1000 mm	
Glow-wire test	Temperature 850 °C, duration 5 s	Dimensions (height x width x depth)	
Suspension accessories	No [-]	NaN x NaN x 1000 mm	
Mechanical accessories	No [-]	Approval and application	
Accessory colour	Black	Ingress protection code	
Operating and electrical		IP30 [Tool-protected]	
Mechanical and housing		Product data	
Electrical accessories	No [-]	Full product code	
Circuit	3C [3-circuit track]	871155979851600
