Highlights

Adjustable light direction

A unique rotatable panel lets you easily direct light wherever you need it. Create the perfect light for all your outdoor activities – whether you're having dinner with family and friends on your patio or relaxing with a good book in your back garden.

Wide light coverage

This light provides more brightness for all of your outdoor spaces.

Long lifetime up to 25,000 hours

Reliable high-quality LED light lasts up to 25,000 hours. You can rest easy knowing that you won't have to worry about maintenance for years, while enjoying the perfect garden light every night.

5-year warranty on LED system

In addition to the standard 2-year warranty offered for this luminaire, Philips also offers a 5-year warranty on the LED system (the LED module and driver).

High-quality LED light

These LED lights use a unique technology developed by Philips. They turn on instantly and produce optimal light output that brings out the vivid colours in your garden.

High-quality aluminium and superior synthetics

This Philips light is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminium and superior synthetics.

IP44 – weatherproof

This Philips outdoor light is especially designed for humid outdoor environments and has been tested rigorously to ensure water resistance. Its IP44 rating means that it has been certified to offer ingress protection against dust and splashing water – perfect for general outdoor use.
