Easy smart control

This accessory allows you to turn any light, even one in which you can't place a Hue bulb, into a smart light so that you can control it via the Hue app. Use Bluetooth for instant light control or connect to the Bridge for all features.

Limitless possibilities

- Inconspicuous, compact design

Highlights

Inconspicuous, compact design

The Philips Hue Smart plug was designed to blend into any environment. Small, white, and with a subtle design, the Smart plug allows you to add any light to your Hue system without any added wires or hassle.
