

|                                                             |                                                                                               |
|-------------------------------------------------------------|-----------------------------------------------------------------------------------------------|
| Product description                                         | VersiCharge - 3Ph 22kW Child - T2 outlet                                                      |
| AC rated input                                              |                                                                                               |
| supply voltage frequency                                    | 60 ... 50 Hz                                                                                  |
| type of network configuration                               | Grounded TN/TT systems                                                                        |
| AC output                                                   |                                                                                               |
| charging current / maximum                                  | 32 A                                                                                          |
| wire length / of the charging cable                         | 7 m                                                                                           |
| ambient conditions                                          |                                                                                               |
| ambient temperature / during operation                      | -40 ... +50 °C                                                                                |
| installation altitude / at height above sea level / maximum | 2000 m                                                                                        |
| mechanical data                                             |                                                                                               |
| protection class IP                                         | IP54                                                                                          |
| last modified:                                              | 11/9/2023  |
