# Infrared Lamps Industrial Use

## E27 cap Incandescent lamp

The Philips infrared incandescent reflector lamps are designed to work in the toughest environment such as farm, bathroom or kitchen and their nearest surrounding. They have a reinforced construction thanks to hard glass use. Their compact form and universal cap base allow them to be used with any suitable equipment. A very good method of generating warmth is by using heat lamps. The Philips infrared lamps provide direct, draught-free warmth to the animals, but also food. These benefits have made farmers and cooks around the world choose Philips infrared lamps, because they are the sturdiest, most efficient lamps available for these applications.

### Product data

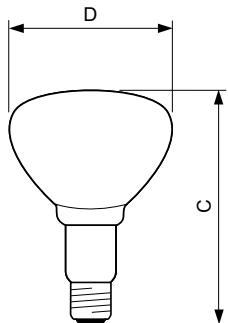

General Information		Bulb Material	Hard Glass
Cap-Base	E27	Bulb Shape	BR125
Operating Position	H45 [h45]	Net Weight (Piece)	104.000 g
Nominal lifetime	5,000 hour(s)	Approval and Application	
Rated Lifetime (Hours)	5,000 hour(s)	CE mark	Yes
Lighting Technology	Incandescent	Product Data	
Operating and Electrical		Order product name	E27 cap Incandescent lamp
Power Consumption	150 W	Full product name	E27 cap Incandescent lamp
Voltage (Nom)	230-250 V	Full product code	871150057520325
Controls and Dimming		Order code	923211843801
Dimmable	Yes	Material Nr. (12NC)	923211843801
Mechanical and Housing		Numerator - Quantity Per Pack	1
Bulb Finish	Red	EAN/UPC - Product/Case	8711500575203
		Numerator - Packs per outer box	10

# Infrared Lamps Industrial Use

EAN/UPC - Case

8727900209310

## Dimensional drawing

Product	D	C (max)
E27 cap Incandescent lamp	125 mm	173 mm
