LUXORliving E1
Item no.: 4800542

theben

Smart Home
HVAC controller

Description

- 1-way flush-mounted actuator for electric heating LUXORliving
- Easy installation due to the compact housing
- For direct connection of electric heating with high switching capacity
- Integrated temperature controller can also be configured as an additional heater
- Additional stage function for simple control of a second heat generator
- 2 binary inputs for floating contacts such as buttons, switches, temperature sensor (I2)
- Integrated temperature monitoring for increased operating safety, e.g. in the event of overload
- The binary inputs are assigned to the dimming output as standard (function test before programming)
- Download of the installation software LUXORplug at https://luxorliving.de/luxorplug

Technical data

	LUXORliving E1
Operating voltage KNX	Bus voltage, ≤4 mA
Installation type	Flush-mounted
Number of channels	1

	LUXORliving E1
Type of contact	16 A
Ambient temperature	–5°C … 45°C

Connection example

Subject to technical changes and misprints
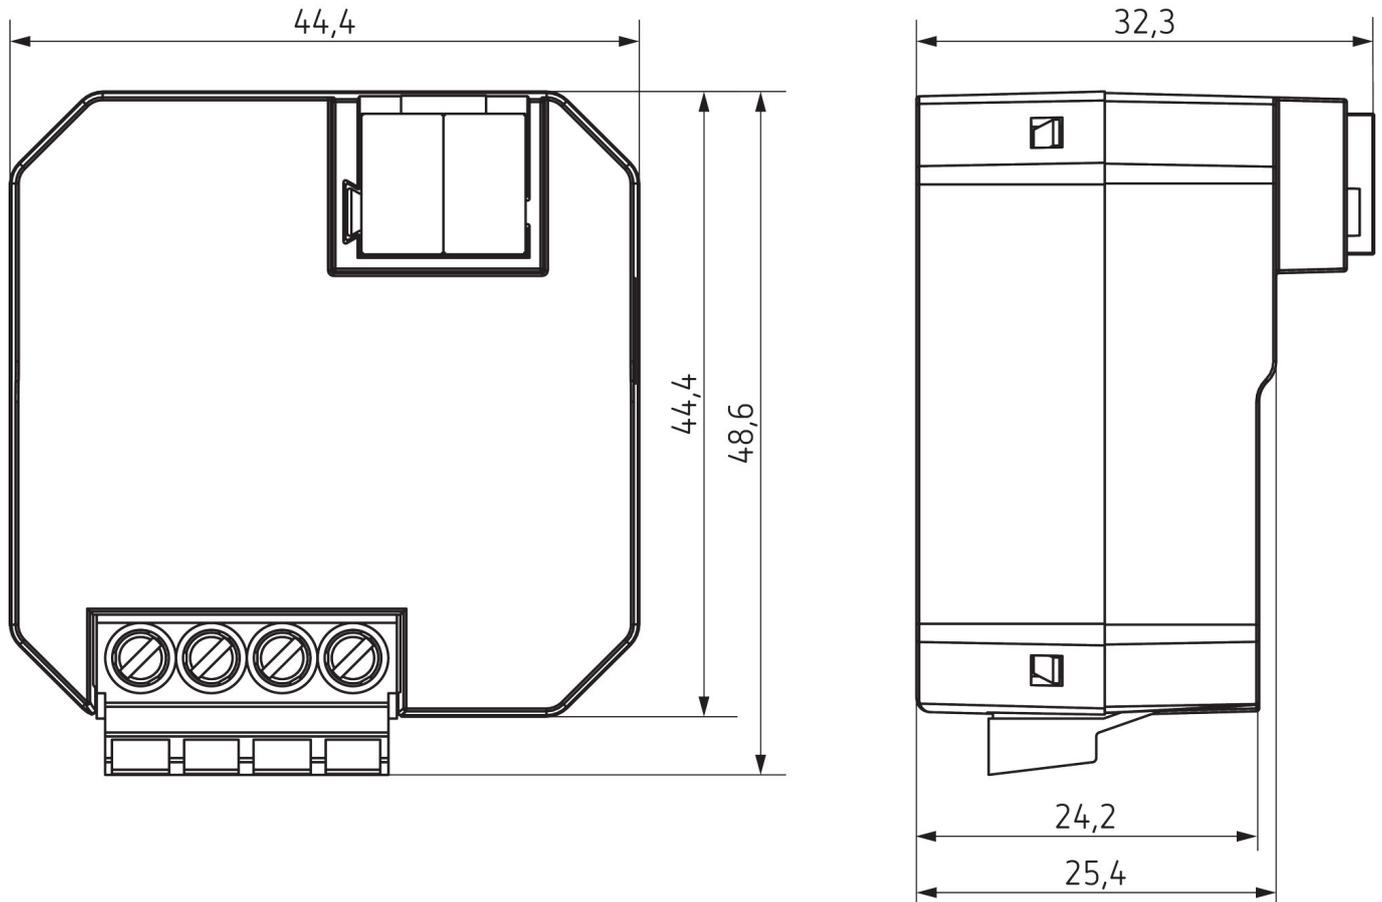

additional information at: www.theben.de/product/4800542

The load data are determined with exemplary selected illuminants and are therefore typical data due to the large number of available products.
