

# Plug SCHUKO

Part number: 10839

**MENNEKES**  
Elektrotechnik GmbH & Co. KG

Aloys-Mennekes-Straße 1  
57399 Kirchhundem  
GERMANY

[www.MENNEKES.org](http://www.MENNEKES.org)

# Product Description

- screw connection technology
- protection against kinking
- strain relief
- with double PE-conductor acc. to German and French-Belgian standard
- for cables up to 3 x 2,5 mm<sup>2</sup>, up to H07RN-F

# Technical Details

| Plug SCHUKO                                                         | 10839                           |
|---------------------------------------------------------------------|---------------------------------|
| Product serie                                                       | SCHUKO                          |
| Ampere                                                              | 16A                             |
| Number of poles                                                     | 2p+PE                           |
| Nominal voltage AC                                                  | 230V                            |
| Protection type IP                                                  | IP44                            |
| Contact carrier                                                     | standard                        |
| Connection                                                          | screw terminals                 |
| Contact screw drive                                                 | PZ2, slot                       |
| Recommended wire end treatment for supply cable connection terminal | ferrule square gasproof crimped |
| Phase inverter                                                      | without phase inverter          |
| Pilot contact                                                       | without pilot contact           |
| Conductor cross-section max.                                        | 2.5 mm <sup>2</sup>             |
| Cable kink protection                                               | with cable kink protection      |
| Protective grommet                                                  | without protective grommet      |
| Protective cap                                                      | without protective cap          |
| Weight (net)                                                        | 50 g                            |
| Packaging unit                                                      | 20 pcs                          |
| EAN / identification number                                         | 4015394142966                   |

## Permissible ambient conditions

|                               | Min.  | Max.  |
|-------------------------------|-------|-------|
| Permanent ambient temperature | -5 °C | 40 °C |

### Material properties

Housing

PA6 red [similar RAL 3013]

### Material resistance

The material resistance overview can be found on the website in the section “Knowledge” - “Product knowledge” - “Materials”.

### Material and enviromental properties

RoHS 2011/65/EU incl. 2015/863/EU

✓

POP regulation (EU) 2019/1021

✓

### Regulations and Standards

Norm

DIN VDE 0620-2-1

Declaration of Conformity

CE

Test label

EAC, VDE
