

**Panel mounted inlet**  
Part no. 749

- screw terminals
- highly heat resistant contact carrier
- nickel plated contacts

Technical specifications

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| Ampere                | 16 A                                                          |
| Poles                 | 7 p                                                           |
| Voltage               | 230 V                                                         |
| Clock position        | 9 h                                                           |
| Hertz                 | 50-60 Hz                                                      |
| Connection technology | Screw terminals                                               |
| Contact               | highly heat resistant contact carrier, nickel plated contacts |
| Protection type       | IP44                                                          |
| Weight                | 204 g                                                         |
| Certifications        | CQC                                                           |
