Specifications

## Cover frame, Merten D-Life, 1 gang, nickel

MEG4010-6550

### Main

|                           |             |
|---------------------------|-------------|
| Range                     | Merten      |
| Aesthetic name            | D-Life      |
| Product or component type | Cover frame |

### Complementary

|                         |                     |
|-------------------------|---------------------|
| Number of gangs         | 1 gang              |
| Installation direction  | Horizontal/vertical |
| Colour tint             | Nickel              |
| Surface finish          | Metallic            |
| surface treatment       | Varnished           |
| Material                | Zamak               |
| IP degree of protection | IP20                |
| Height                  | 84 mm               |
| Width                   | 90 mm               |
| Depth                   | 11.8 mm             |

### Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 2.700 cm  |
| Package 1 Width              | 9.500 cm  |
| Package 1 Length             | 12.600 cm |
| Package 1 Weight             | 110.000 g |
| Unit Type of Package 2       | CAR       |
| Number of Units in Package 2 | 80        |
| Package 2 Height             | 31.600 cm |
| Package 2 Width              | 34.600 cm |
| Package 2 Length             | 40.500 cm |
| Package 2 Weight             | 9.160 kg  |

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Environmental footprint

|                                                        |                                               |
|--------------------------------------------------------|-----------------------------------------------|
| Total lifecycle Carbon footprint                       | 0.8 kg CO2 eq.                                |
| Carbon footprint of the manufacturing phase [A1 to A3] | 0.5 kg CO2 eq.                                |
| Carbon footprint of the distribution phase [A4]        | 0.1 kg CO2 eq.                                |
| Carbon footprint of the installation phase [A5]        | 0 kg CO2 eq.                                  |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 0 kg CO2 eq.                                  |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 0.3 kg CO2 eq.                                |

## Use Better

### Materials and Substances

|                                        |                                                                             |
|----------------------------------------|-----------------------------------------------------------------------------|
| Packaging made with recycled cardboard | No                                                                          |
| Packaging without single use plastic   | No                                                                          |
| SCIP Number                            | Fc63190f-d73a-4ee6-88d2-9fc422c1217c                                        |
| EU RoHS Directive                      | <a href="#">Compliant</a>                                                   |
| REACH Regulation                       | <a href="#">Free of Substances of Very High Concern above the threshold</a> |

## Use Again

### Repack and remanufacture

|                                 |                                          |
|---------------------------------|------------------------------------------|
| Recyclability potential, in %   | 50                                       |
| End of life manual availability | No need of specific recycling operations |
| Take-back                       | No                                       |
