| Catalog Description:   | WaveLine Wall sensor 2 channel Wireless white - Busch-Duro 2000 SI                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Long Description:      | 2gang wall-mounted transmitter independent of mains power supply. For switching and dimming. For controlling blinds and light scenes. 2 radio channels can be operated or up to 4 light scenes can be called up. For flush-mounted WaveLINE actuators 6701-101, 6702, 6703, 6704 and 6705-101. Send frequency: 868 MHz. Free-field range: approx. 100 m. Power supply: lithium button cell battery Type CR2032. Battery service life: typically 5 years, therefore practically maintenance-free. Automatic monitoring of battery life. Including fixing plate for mounting on smooth walls or on switch boxes. |
| Display Name:          | 6732-212-500                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| Installation              |                                  |
|---------------------------|----------------------------------|
| Instructions and Manuals: | DEBJE-0073-1-7648                |
| Mounting Type:            | Surface Mounted<br>Flush Mounted |

|                              |             |
|------------------------------|-------------|
| Mounting Position:           | Wall        |
| Modular Components Included: | Cover Plate |

### Environmental

|                          |                         |
|--------------------------|-------------------------|
| Ambient Air Temperature: | Operation -5 ... +45 °C |
| Degree of Protection:    | IP20                    |
