

SAVE THE DATES!

**We would like to invite you to an exclusive visit online
for Northern Europe on October 13th or 14th!**

The ambition with these 2 days is to show you how we can help shape your future planning and increase your value creation with our latest innovative products and intelligent solutions.

Our Automation Products & Solutions Division and Weidmüller Academy International Training Centre, based in Detmold - Germany, have put together a special package with our leading experts.

Have a look at our agenda and register for the day that suits you best! Choose one of the following links for registration. (You can join in at any time during the day)

[Tuesday October 13th](#)

[Wednesday October 14th](#)
